2015 Water Heater Rebate Incentive Program**

- Switch out your old propane water heater to a new propane water heater and receive a **\$200 rebate**.
- Switch out your electric or oil water heater for a new propane water heater and receive a **\$650 rebate**.
- Building new construction, purchase a new propane water heater and receive a **\$650 rebate**.

This program is only being offered to Minnesota residents at this time. To see if you are eligible for these rebates, please contact your propane provider.

**Rebates are limited and will remain in effect until funds run out.

These rebates are currently the only rebate incentives being offered by the Minnesota Propane Association at this time.
